Summer Friends Are Back At Bliss Yarns

The month of June welcomes old friends back and invites new friends to join us. We are so pleased to find college co-ed Natalie P. behind the desk again and ready to help you. To reintroduce you to her, we have featured her below. She will be with us all summer until UT starts up again.

We are also bringing back an oldie but goodie, our Wonderful Wacky Wednesdays! Details are further in the newsletter.

In July, as the days get more sultry, we are teaming up with some neighboring merchants to have some knitting time outside the store. Check out The Bliss Breakfast Club!

Bliss Yarns continues to offer you a great place to find quality yarns and notions along with a knowledgeable and dedicated staff to help you find projects and solve problems. We continue to offer a variety of classes for all skill levels and want to encourage you to sign up. The more interest we have, the more classes we will offer. If you do not see what you are looking for, please let us know. We are always open to new class suggestions.

All About Natalie!

Miss Natalie P. is back at Bliss for the summer. We are so happy to have her with us again even for a short time. Natalie is a very skilled knitter and crocheter and thus she is teaching some of the more interesting classes on our summer schedule, check it out at www.blissyarns.com

Natalie has asked us to tell you that she is interested in doing finishing work for our Bliss customers. You can contact her through the shop and she will negotiate prices and deadlines with you personally.

One other thing that Natalie has offered to do for our customers is Christmas stockings. Natalie will work with your design or can help you find a design to make a keepsake for you and your family that will last forever. Please call her to

schedule a time to discuss your custom made Christmas stocking and to get a head start on one right away.

Our Project Suggestions For June

June is the month of weddings and new beginnings...so in honor of that wonderful institution and ceremony, we are featuring all things white! If there are nuptials in your future, why not knit or crochet a ring bearer's pillow, a pair of wedding wristlets, a beautiful lace veil, a shawl, a flower girl's dress, even a wedding purse all out of any number of white yarns we

feature at Bliss? For a refined look, how about Siena? For a more relaxed appearance in your project, perhaps Hand Knit Cotton? There are yarns of every variety and texture in white that will add a touch of YOU to the proceedings whether traditional or whimsical. Not the bride? Make something blue for a bride you know: garters, wraps, bags...all can be perfect gifts for her to complete her wedding day look.
